THE POSITION:

Join the City of Santa Rosa!

The City of Santa Rosa is recruiting for the exciting and challenging position of Firefighter-Paramedic (LATERAL-LEVEL)!

This recruitment is being conducted to establish an eligibility list to fill current and future lateral-level Firefighter-Paramedic vacancies within the Santa Rosa Fire Department. This recruitment is open on a continuous basis until a sufficient number of applications are received, and can close at any time.

What is a Lateral-Level Firefighter-Paramedic?

Prospective lateral-level Firefighter-Paramedic candidates will possess at least two years of full-time paid experience as a Firefighter with no breaks in service, in an all-risk fire agency and the required licenses and certifications.

Firefighter-Paramedics serve the public by performing fire suppression, prevention, and rescue activities while protecting life, property and the environment; providing basic and advanced life support medical care and treatment; and performing fire prevention duties.

Salary and Benefits:

A starting salary is commensurate with years of experience performing full-time paid experience in an all-risk fire agency!

A 2.5% Cost of Living Adjustment is scheduled for 4/1/22.

In addition to a competitive salary, retirement through CalPERS, and a generous benefits package, the Firefighter-Paramedic position offers opportunities for incentive pay and career advancement!

Incentives may include:

- A 10% incentive pay while working in a paramedic assignment
- Educational Incentive Pay: 3% for possession of an AA/AS or 60 semester units (or quarter equivalent); or 6% for possession of a BA/BS or 120 semester units (or quarter equivalent) after completion of probation
- A 3% bilingual premium pay for unit members designated by the City as proficient in the Spanish language
- A 3% hazardous materials incentive when assigned to the Hazardous Materials Response Team
- A 2% longevity pay incentive (based on time in CalPERS)

EXAMPLES OF DUTIES AND RESPONSIBILITIES:

The following duties are considered essential for this job classification:

- Drive and operate all fire apparatus and equipment
- Respond to rescue calls as part of an engine or truck company and administer medical care
- Operate a variety of tools and equipment related to fire suppression, rescue and hazardous materials emergency activities
- Serve as a hose operator in firefighting situations including laying hose lines, pulling working lines, holding the nozzle to direct the stream of water on the fire, placing, raising, lowering and climbing ladders and assisting in overhaul and salvage operations
- Inspect and perform routine maintenance on rescue equipment, fire apparatus, hoses and other support equipment
- Participate in continuous training in fire suppression, prevention and inspection through both simulated and on-the-job exercises
- Operate engine pumping equipment
- Inspect commercial, residential and other occupancies for fire hazards and compliance with fire prevention codes and ordinances
- Conduct fire prevention inspection and education programs
- Operate communication equipment
- Learn and study Fire Department rules and regulations, fire hazards and firefighting techniques, and related subjects

**About the City of Santa Rosa:**

The City of Santa Rosa is located just 55 miles north of San Francisco and 30 miles east of the Pacific Ocean with a population of approximately 170,000. Santa Rosa is the seat of Sonoma

County and the center of trade, government, commerce and medical facilities for the North Bay. The surrounding area is home to over a hundred wineries and vineyards, many beautiful parks and recreational facilities, including 16 golf courses, and the spectacular Northern California coastline. Santa Rosa is in the center of a nationally recognized cycling area. It boasts many attractions associated with large cities, including a symphony, performing arts center, theater productions and internationally-recognized restaurants, yet still retains the warmth and small town feel of decades past. Santa Rosa has been named one of the 50 greenest cities in the United States with one of the top five mid-sized downtowns in California.

Selection Process:

Applicants possessing the most desirable qualifications will be invited to continue in a selection process that may consist of an application screening, oral appraisal, and/or other activity selected by the Human Resources Department. An eligible list will be established as a result of this selection process and may be used to fill future vacancies.

Additional Instructions:

Candidates must attach all required licenses and certifications to the employment application.
